# Synonym Search

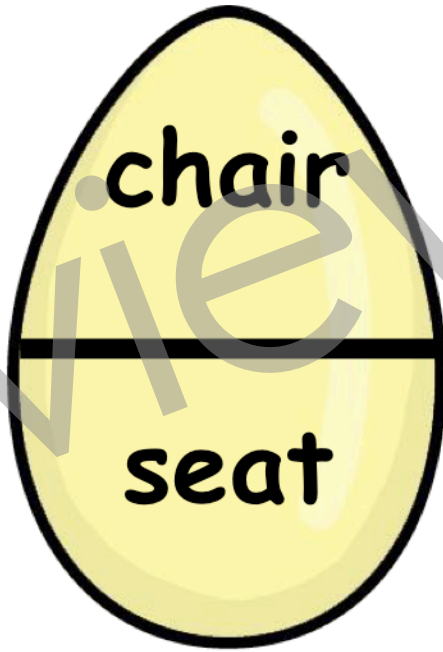

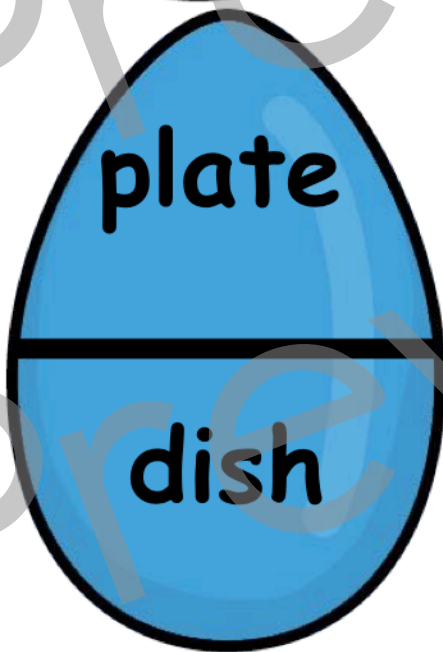

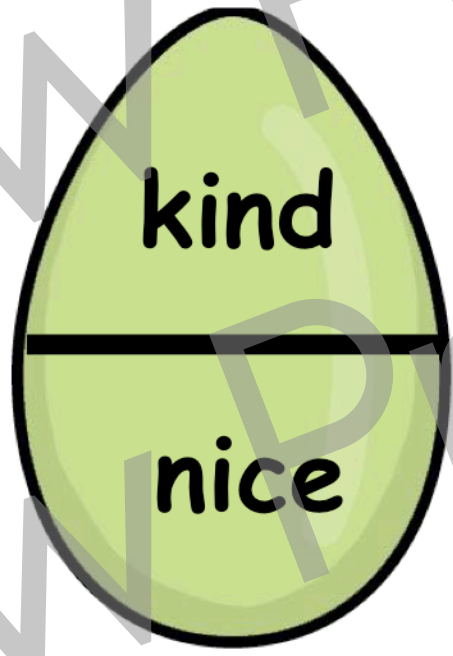

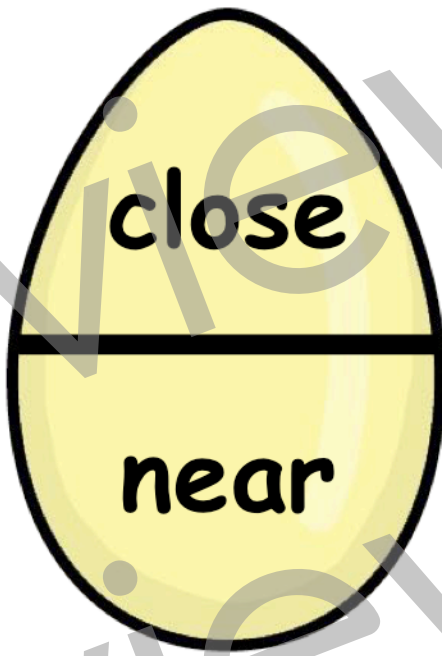

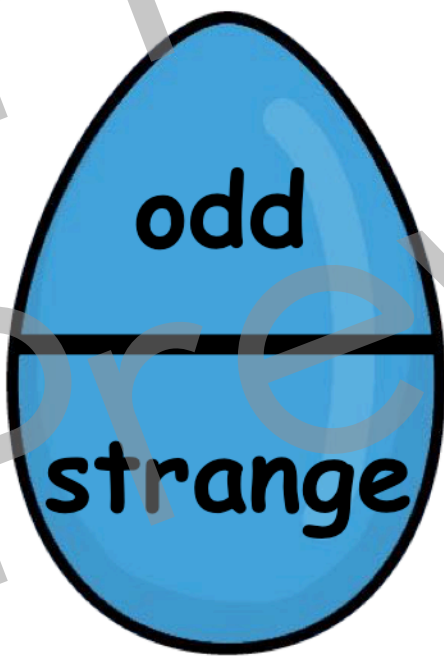

Go on an egg hunt to find pairs of synonyms! Cut the eggs in half on the black line and scatter around the room. Students receive a basket with five empty eggs. The goal is to search around the room for 5 pairs of synonyms to collect in your basket. When you've completed five eggs, write them down on the recording sheet.

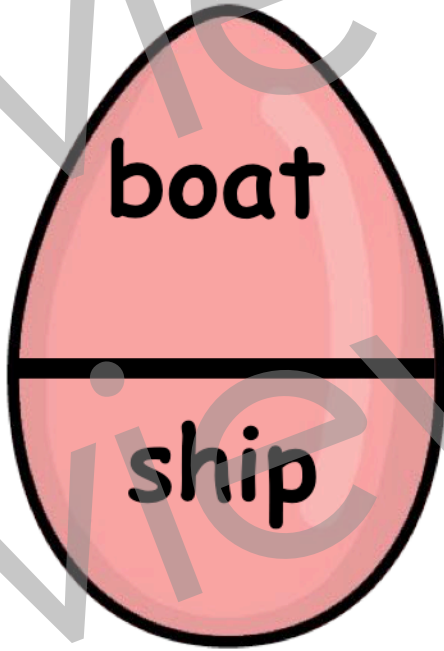

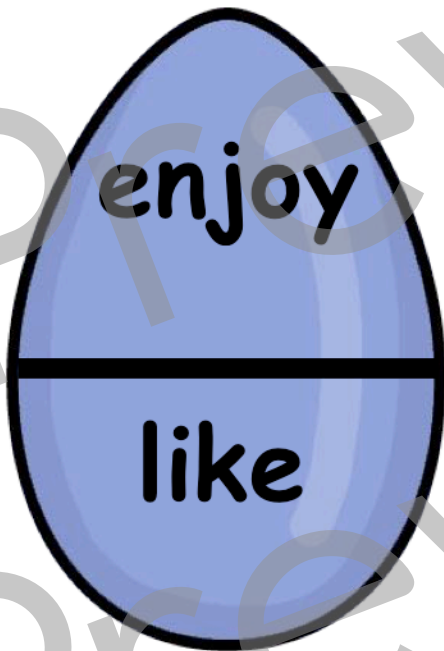

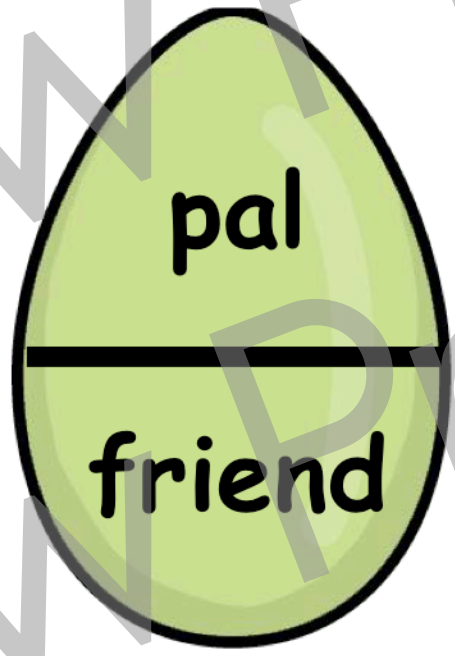

A black and white basket is included for an alternative activity. Write a word on the top of the egg. Students must search for a synonym of that word on the bottom half of an egg.
